Simma,

Do you have some time between now and 11:00 tomorrow to talk with me and Kelly about the Corps' edits to the enforcement section and J.T. and Jeff's comments?

Thanks,

Matt

Thank you for the opportunity to review the draft FDEP-Corps MOA. I coordinated with JT and have attached a few comments and suggested revisions to the enforcement section. (When I saved the document, my edits were marked as "Author," so I added a comment to each proposed edit.) I am happy to discuss this further.

Thanks, again.

Hello JT and Jeff,

The Assumption team met today and reviewed the Florida and Corps MOA. The team had questions regarding the language changes at line 238 or section VII. Enforcement. If possible would one or both of you be able to weigh in on the redline changes made some time today?

Tom would like to report out to Jeaneanne today if possible with EPA's impression of the changes that are proposed.

Thank Gentlemen,
